7.701 GENERAL RULES FOR CHILD CARE FACILITIES

7.701.1 INTRODUCTION

All rules in Section 7.701, et seq., shall be known and hereinafter referred to as the General Rules for Child Care Facilities and will apply to all child care applicants and licensees subject to the Child Care Licensing Act, Sections 26-6-101 to 26-6-119, C.R.S.

7.701.11 Licensing Exemptions

- A. A license must be obtained before care begins unless such care is exempt as set forth below.
- B. A license is not required for:
 - 1. A special school or class in religious instruction. Religious instruction is defined as instruction in religion as a subject of general education, or instruction in the principles of a particular religious faith. Faith- or spiritually-based programs which offer religious instruction combined with early childhood education, child care or child development activities as a part of the daily routine must obtain a child care license.
 - 2. A special school or class operated for a single skill-building purpose. Single skill building includes activities or instruction in one subject area. A single skill program includes the development of an individual skill which does not include naptime periods or overnight care, or any other time children are not engaged in that specific activity. Any time activities other than the identified single skill are provided; the program is no longer considered a single skill program and must obtain the appropriate license. Meals and snacks may be incorporated into the single skill request.
 - 3. A child care center operated in connection with a church, shopping center, or business where children are cared for during short periods of time, not to exceed three hours in any twenty-four (24) hour period of time, while parents or persons in charge of such children, or employees of the church, shopping center, or business whose children are being cared for at such location are attending church services at such location, shopping, patronizing or working on the premises of the business. This facility must be operated on the premises of the church, business, or shopping center. Only children of parents or guardians who are attending a church activity; patronizing the business or shopping center or working at the church, shopping center or business can be cared for in the center.
 - 4. Occasional care of children with or without compensation, which means the offering of child care infrequently and irregularly that has no apparent pattern.

5. A family care home that provides less than 24-hour care. Care must only be provided using one (1) of the options below at any one time:
 - a. Care of children who are directly related to the caregiver by blood, marriage or adoption. The relationship between the caregiver and child includes biological child(ren), step-child(ren), grandchild(ren), niece, nephew, sibling, or first cousin and provide care for children who are siblings from the same family household which is unrelated to the provider; or
 - b. Care of up to four (4) children, related or unrelated to the caregiver. No more than two (2) children under the age of two years may be cared for at any one time.
 6. A child care facility that is approved, certified, or licensed by any other state department or agency, or by a federal government department or agency, which has standards for operation of the facility and inspects or monitors the facility.
 7. The medical care of children in nursing homes.
 8. Ski area guest child care facilities as defined at Sections 26-6-102(5) and 26-6-103.5, C.R.S.
 9. Neighborhood Youth Organizations as defined at Sections 26-6-102(5.8) and 26-6-103.7, C.R.S.
- C. Any child care providers wishing to be declared exempt from the Child Care Licensing Act based on the nature of their program must submit a request for exemption to the State Department. That request must include the name and address of the facility, the number of children in care and their approximate ages, the hours of operation, and a basic description of the program and its curriculum.
- D. Decisions of the State Department regarding exemptions are the final agency decision of the Department and cannot be reviewed by an Administrative Law Judge.

7.701.12 Civil Penalties and Injunctions

- A. Violation of any provision of the Child Care Licensing Act or intentional false statements or reports made to the Department or to any agency lawfully delegated by the Department to make an investigation or inspection may result in fines assessed of not more than \$100 a day to a maximum of \$10,000:
1. A civil penalty will be assessed by the Department only in conformity with the provisions and procedures specified in Article 4 of Title 24, C.R.S. No civil penalty will be assessed without a hearing conducted pursuant to the Child Care Licensing Act and Article 4 of Title 24, C.R.S., before an Administrative Law Judge acting on behalf of the Department.
 2. Prior to receipt of a cease and desist order from the Department or from any agency delegated by the Department to make an investigation or inspection under the provision of the Child Care Licensing Act, any unlicensed child care facility may be fined up to \$100 a day to a maximum of \$10,000 for providing care for which a license is required.
 3. For providing child care for which a license is required after receipt of a cease and desist order, an unlicensed facility will be fined \$100 a day to a maximum of \$10,000.

4. Assessment of any civil penalty under this section will not preclude the Department from initiating injunctive proceedings pursuant to Section 26-6-111, C.R.S.
 5. A licensed child care facility may be fined up to \$100 a day to a maximum of \$10,000 for each violation of the Child Care Licensing Act or for any statutory grounds as listed at Section 26-6-108(2), C.R.S.
 6. Assessment of any civil penalty does not preclude the Department from also taking action to deny, suspend, revoke, make probationary, or refuse to renew that license.
 7. Any person intentionally making a false statement or report to the Department or to any agency delegated by the Department to make an investigation or inspection under the provisions of the Child Care Licensing Act may be fined up to \$100 a day to a maximum of \$10,000.
 8. Civil penalties assessed by the Department must be made payable to the Colorado Department of Human Services.
- B. In addition to civil penalties that may be assessed under Section 7.701.12, A, when an individual operates a facility after a license has been denied, suspended, revoked, or not renewed, or before an original license has been issued, injunctive proceedings may be initiated to enjoin the individual from operating a child care facility without a license.
- C. Within ten (10) working days after receipt of a notice of final agency action with regard to a negative licensing action or the imposition of a fine, or when the department identifies and documents in a report of inspection serious violations of any of the standards that could impact the health, safety or welfare of a child cared for at the facility or family child care home, each child care center, facility or family child care home must provide the department with the names and mailing addresses of the parents or legal guardians of each child cared for at the facility so that the department can notify the parents or legal guardians of the negative licensing action taken or the serious violation impacting the health, safety or welfare of a child. The facility will be responsible for paying a fine to the Department that is equal to the direct and indirect costs associated with the mailing of the notice.

7.701.13 Appeals and Waivers

The Department is authorized to hear and decide three kinds of appeal or waiver requests by applicants or licensees: hardship appeals in this rule set, also referred to as hardship waivers, stringency appeals, and materials waiver requests, according to the following procedures. For purposes of this section 7.701.13, a county department of human/social services that certifies foster homes under § 26-6-106.3, C.R.S., is a "licensee."

A. Hardship Waivers

1. Any applicant or licensee who has applied for or been issued a license to operate a child care facility or child placement agency has a right to appeal, pursuant to § 26-6-106(3), C.R.S., any rule or standard which, in his or her opinion, poses an undue hardship on the person, facility, or community.
 - a. "Undue hardship" is defined as a situation where compliance with the rule creates a substantial, unnecessary burden on the applicant or licensee's business operation or the families or community it serves, which reasonable means cannot remedy. An undue hardship does not include the normal cost of operating the business.

- b. Emergency hardship appeals are requests by applicants or licensees to excuse noncompliance with a specific child care licensing rule due to urgent, significant, and unexpected situations outside the applicant's or licensee's control. Specific situations that may be considered "emergencies" under this paragraph include, but are not limited to:
 - 1) Natural disasters;
 - 2) Infectious disease outbreaks;
 - 3) Mold outbreaks;
 - 4) Acts of nature or an accident resulting in structural damage to the child care facility; or
 - 5) For foster care homes and residential child care facilities, an immediate, child(ren)-specific, emergency placement, situation which may disrupt placement, or situation posing a safety risk to a child(ren) in out-of-home placement.
 2. Such appeal must be submitted to the department in writing within sixty (60) calendar days from the date on which the rule, standard, or emergency situation allegedly created the hardship. The applicant or licensee or their designated representative must send an appeal on the state-prescribed form to the appropriate division. Each rule appealed requires an individual appeal and applicable fee. If the appeal is an emergency hardship appeal, the applicant or licensee must mark it as such on the state-prescribed form.
 3. When submitting an appeal, the applicant or licensee must consider the impact on the health, safety, and wellbeing of any children in care and include a proposed alternate compliance plan.
 4. The department must consider the impact of an appeal on the health, safety, and wellbeing of the children in care, which must take priority over any undue hardship alleged, when determining whether an appeal should be granted.
 5. If the Department grants an appeal for undue hardship, it will issue the applicant or licensee an official decision notification letter temporarily excusing the applicant or licensee from compliance with the appealed rule or standard and accepting the alternate compliance plan.
- B. Stringency Appeals
1. Any applicant or licensee who has applied for or been issued a license to operate a child care facility or child placement agency has a right to appeal, pursuant to § 26-6-106(3), C.R.S., any violation of a child care licensing rule cited in a report of inspection, on the basis that the rule has been too stringently applied by a representative of the department. "Stringency," as used in this section 7.701.13, means the child care licensing representative applied rules too strictly, improperly, or unfairly. Disputes over the factual accuracy of a cited violation are not reviewable under this provision and must be resolved with the licensing representative's supervisor.
 2. Such appeal must be submitted to the department in writing within sixty (60) calendar days from the date of the report of inspection at issue. The applicant or licensee or their designated representative must send an appeal on the state-prescribed form to the appropriate division. Each rule citation requires an individual appeal and applicable fee.

3. When submitting an appeal, the applicant or licensee must provide all evidence that it believes shows the rule was applied too stringently.
4. The department must consider the impact of an appeal on the health, safety, and wellbeing of the children in care.
5. If the Department finds a licensing rule was too stringently applied in the appealed citation, it will issue the applicant or licensee a new report of inspection with that citation removed, which shall for all purposes supersede the original report of inspection.

C. Materials Waiver Requests

1. A child care center that is applied for or has been issued a license may request a waiver, pursuant to § 26-6-105.7, C.R.S., to use certain hazardous materials in its program or curriculum that would otherwise violate child care licensing rules.
2. The child care center must submit a materials waiver request in writing on the state-prescribed form to the appropriate division. Each rule for which waiver is requested requires an individual request and applicable fee. If the request also seeks to remove a citation on a report of inspection involving the materials, it must be submitted within sixty (60) calendar days from the date of the report of inspection; otherwise, it may be submitted at any time.
3. A child care center requesting a materials waiver must adopt a safety policy, included with the waiver request that provides that:
 - a. Early childhood teachers are trained in the use of the specific material(s) in a way that provides reasonable, developmental-and age-appropriate safety provisions for children;
 - b. Current training certificates are provided for each staff/classroom where the materials waiver is being sought. Training must be completed through nationally recognized programs related to the curriculum or philosophy, or through other department-approved training, curriculum, or program validation; and,
 - c. Parents are notified in writing regarding the use of the hazardous materials in the child care center. The notice must include all of the potential safety risks associated with the materials. The child care center must obtain signed parental consent forms acknowledging awareness of the risks in using the materials in the child care center prior to implementing use of the identified materials and prior to any newly enrolled children attending the center after the waiver is implemented.
4. The department must consider the impact of a materials waiver request on the health, safety, and wellbeing of the children in care.
5. If the department grants a materials waiver request, it will issue the child care center an official decision notification letter allowing the use of the requested materials according to the provided safety policy. The applicant or licensee must post the decision letter next to the child care license until the letter's expiration date. If there is no expiration date, the decision letter expires three (3) years from the date of the letter. The approved waiver must be in place before using materials that pose a risk to children.

- D. Administrative Review and Appeal Panel Procedures
1. The applicant or licensee must comply with all child care licensing rules and standards, including the rule(s) subject to an appeal or materials waiver request, until the applicant or licensee has received a written decision granting the appeal or waiver.
 2. The Department will receive, review, and schedule all appeals and materials waiver requests for review by the appeal panel constituted under § 26-6-106(3), C.R.S.
 - a. For hardship appeals, the Department may propose that the appeal panel grant one or more appeals as part of a consent agenda, which the appeal panel may approve with a single vote; except if any panel member objects to the consent agenda, the appeals on such agenda must be decided individually. The appeal panel may not deny appeals by consent agenda.
 - b. For emergency hardship appeals, the Department may administratively grant the appeal if it meets the definition of an emergency situation and the proposed alternate compliance plan adequately protects the health, safety, and wellbeing of children in care. If the Department does not administratively grant the emergency hardship appeal, it must schedule the appeal for review by the appeal panel.
 - c. For materials waiver requests, the Department will administratively grant or deny the waiver request within sixty (60) days after receipt of the request. If it denies a waiver, the Department must provide notice in its decision of the center's right to appeal the denial within forty-five (45) days and the center's right to meet with Department personnel as part of that appeal.
 - d. If a child care center appeals the denial of a materials waiver request within forty-five (45) days of the denial, the Department will schedule the appeal for review by the appeal panel within forty-five (45) days of the appeal. The entire appeal process must not last longer than one hundred (100) days from the date of the notice of denial.
 3. The appeal panel will adopt a written decision recommending that the department grant, deny, or grant with modifications an appeal or materials waiver request. The department must send an official decision letter, including the written decision of the appeal panel, to the applicant or licensee, within ten (10) days from the date of the appeal panel meeting.
 - a. For hardship appeals and materials waiver requests, the official decision letter must be posted next to the child care license until its expiration date. If there is no expiration date, the letter expires three (3) years from its date.
 - b. If the department approves a hardship appeal or materials waiver request and the applicant or licensee wishes to make changes to the alternate compliance plan or safety policy submitted with the original appeal or request, the applicant or licensee must submit a new hardship appeal or materials waiver request.
 - c. If, after the department approves a hardship appeal or materials waiver request, the applicant or licensee violates the terms and conditions described in the approved alternate compliance plan, approved safety policy, or official decision letter, the department's approval will immediately be rescinded and considered null and void. For purposes of this provision, any injuries, accidents, or founded complaints or investigations related to the appealed or waived licensing rule constitute a violation.

4. Hearing requests
 - a. For hardship or stringency appeals, if an applicant or licensee is aggrieved by the decision of the department, the applicant or licensee may request an administrative hearing pursuant to § 24-4-105, C.R.S. Written requests for an administrative hearing must be received in writing within 30 calendar days from the date the applicant or licensee received the department's decision. In all such administrative hearings, the applicant or licensee will bear the burden or proof by a preponderance of the evidence.
 - b. For appeals from denials of materials waiver requests, the Department's decision is a final agency decision subject to judicial review pursuant to § 24-4-106, C.R.S.

7.701.14 Civil Rights

All facilities licensed under the Child Care Licensing Act are subject to the non-discrimination provisions of Title VI of the Civil Rights Act of 1964, as amended, and its implementing regulation, Title 45 Code of Federal Regulations (CFR), Part 80; the Age Discrimination Act of 1975, as amended, and its implementing regulation, Title 45 CFR, Part 91; Section 504 of the Rehabilitation Act of 1973, as amended, and its implementing regulation, Title 45 CFR, Part 84.

All facilities licensed under the Child Care Licensing Act are also subject to Titles I through V of the Americans with Disabilities Act, as amended, and its implementing regulation, Title 29 C.F.R., Part 1630. Decisions related to the enrollment, placement, or dismissal of a child with a disability or chronic condition must be in compliance with the Americans with Disabilities Act. The facility must provide reasonable accommodations for the child with a disability who has special needs.

A lack of independent ambulation or the need for assistance in feeding, toileting, or dressing or in other areas of self-care cannot be used as sole criteria for enrollment or placement or denial of enrollment or denial of placement. Efforts must be made to accommodate the child's needs and to integrate the child with his/her peers who do not have disabilities.

7.701.2 DEFINITIONS

A. Types of Homes

1. Family Child Care Home

"Family Child Care Home," defined at Section 26-6-102(13), C.R.S., means a type of family care home that provides less than 24-hour care for five (5) or more children under the age of eighteen (18) years on a regular basis in the primary residence of the child care provider.

A foster care home may include foster care for a child and/or youth who is unrelated to the head of the home or foster care provided through a kinship foster care home, but does not include non-certified kinship care defined in Section 19-1-103(78.7), C.R.S. The term includes any foster care home receiving a child and/or youth for regular twenty-four (24) hour care and any home receiving a child and/or youth from any state-operated institution for child care or from any child placement agency. A specialized group facility may serve a maximum of one (1) child enrolled in Children's Habilitation Residential Program (CHRP) and eight (8) other foster children, or two (2) children enrolled in CHRP and five (5) other foster children, unless there has been prior written approval by the CHRP waiver administrator. If placement of a child in a Specialized Group Facility will result in more than three (3) children approved for Children's Habilitation Residential Program (CHRP) funding, then the total number of children placed in that Specialized Group Center will not exceed a maximum of six (6) total children. Placements of more than three (3) children approved for CHRP funding may be made if the agency can demonstrate to the CHRP waiver administrator that the provider has sufficient knowledge, experience, and supports to safely meet the needs of all of the children in the home. - A. Foster Homes must also obtain a child abuse or neglect records check for each adult eighteen (18) years of age or older living in the home in every state where the adult has resided in the five 5 years immediately preceding the date of application.
- B. An inquiry is not necessary regarding out-of-state employees of a children's resident camp or school-age child care center for a camp or center that is in operation for fewer than ninety (90) calendar days; out-of-state employees operating under this exemption must be supervised at all times by a staff member who has successfully completed all background checks.
- C. The request must be made within ten (10) calendar days of the first day of employment for each employee or facility on the State prescribed form, accompanied by the required fee paid by check or money order (for fee assessment see section 7.000.73).

 - 2. If the result of the inquiry is that the individual has not been confirmed to be responsible for an incident of child abuse or neglect, the State Department must notify the requesting party of this fact.
- F. The information provided by the State Department must serve only as the basis for further investigation. The director or operator may inform an applicant or employee that the report from the State Department's automated system was a factor in the director or operator's decision with regard to the applicant or employee's employment.
- G. 7.701.33 Criminal Record Check

A. Criminal records checks are required under the following circumstances:

1. Each applicant listed below must submit to the Colorado Bureau of Investigation (CBI) and the Federal Bureau of Investigation (FBI) a complete set of fingerprints taken by a qualified law enforcement agency or any third party approved by CBI including county departments of human or social services that use fingerprint machines pursuant to section 19-3-406(1)(C),(2), C.R.S., to obtain any fingerprint criminal history record held by the CBI and FBI. If a third party takes the individual's fingerprints, the fingerprints may be electronically captured using CBI's approved LiveScan equipment pursuant to section 10-23-103 C.R.S. Payment of the fee for the criminal record check is the responsibility of the individual being checked, identified as follows:
 - a. Each applicant for an original license for a center, facility, or agency and any adult eighteen (18) years of age or older who resides in the licensed center, facility or agency.
 - b. Each exempt family child care home provider who provides care for a child and each individual who provides care for a child who is related to the individual (referred collectively in this section as a "qualified provider"), if the child's care is funded in whole or in part with money received on the child's behalf from the publicly funded Colorado Child Care Assistance Program; and, any adult eighteen (18) years of age or older who resides with a qualified provider where the care is provided.

The Neighborhood Youth Organization must not hire a person as an employee or approve a person as a volunteer after confirmation of such a criminal history.

B. Only in the case of a children's resident camp or school-age child care center, out-of-state persons employed in a temporary capacity for less than ninety (90) days are not required to be fingerprinted to obtain a criminal record check. Out-of-state employees operating under this exemption must be supervised at all times by a staff member who has successfully completed all background checks.

Prospective employers of such exempted persons must conduct reference checks of the prospective employees in order to verify previous work history and must conduct personal interviews with each such prospective employee.

At the time the annual declaration of compliance is submitted to the Department, a criminal record check is required only for adults living at the licensed facility who have not previously obtained one. Because the Colorado Bureau of Investigation (CBI) provides the Department with ongoing notification of arrests, owners, applicants, licensees, and persons who live in the licensed facility who have previously obtained a criminal record check, they are not required to obtain additional criminal record checks.
- D. Each owner, employee, who is eighteen (18) years of age or older, of a facility or agency must submit to CBI a complete set of fingerprints to obtain any criminal record held by the CBI and FBI. The new fingerprint card must include the new employer's address and the new employer's license I.D. number in the box labeled MNU. "Transfer - Child Care" must be inserted in the "Reason Fingerprinted" block. The CBI clearance letter (or photocopy of the old fingerprint card) and the new fingerprint card must be sent with a money order or other certified funds covering all current transfer fees payable to CBI at: Colorado Bureau of Investigation, 690 Kipling Street., Suite 3000, Denver, CO 80215. Those facilities that have accounts with CBI are not required to send the money order or certified funds; instead, they must enter their CBI account number in the OCA block of the new fingerprint card and CBI will deduct the current transfer fee.
 - b. New employees who cannot obtain the CBI clearance letter or photocopy of the processed fingerprint card from their former employer must have their fingerprints retaken and follow the process detailed in Section 7.701.33, D, 1, a.
 - c. When an individual leaves employment, the facility must submit to CBI a completed Notification of Name Removal form to request the removal of the individual's name from their facility license number in the CBI database.

 4. Be otherwise appropriate for the provider to approve.

 2. Behavioral and/or mental health stability of the child or youth;
 3. The age or developmental appropriateness of the activity; and,
 4. Whether the risk of reasonably foreseeable harm involved in the activity is at an acceptable level.
